

ZenBox Lockers

Aluminium and SGL lockers for wet area environments

Probe

ZenBox lockers

Optional sloping top available.
See **page 8**

Extensive range of lock options

A range of quality engineered locks available for wet, humid or dry environments.
See **pages 5 to 6**.

Heavy duty hinges.

Aluminium Body

Aluminium shelves, fixed firmly into position adding rigidity to the locker. Aluminium body with reduced radius corners give full width shelf to back of locker and aid cleaning.

12mm Solid Grade Laminate (SGL) doors

Super strong and stylish doors available in many contemporary colours. See **page 7**.

Precision Engineered

All lockers are supplied fully assembled and can be nested side by side with no visible gaps.

Designed and engineered ZENBOX lockers are the perfect choice for demanding environments.

ZENBOX lockers are designed and engineered to withstand the rigours of high use wet area environments where the requirements of design with durability and image are paramount.

- Leisure Centres
- Swimming Pools
- Schools
- Gyms
- Spas

Important note regarding locker installations

Wherever possible lockers should be secured to ensure stability. Single lockers should ideally be fixed back to a wall. Runs of lockers should be fixed together side-to-side and either fixed back to a wall or fixed back-to-back to another run of lockers.

ZenBox locker range

End panels to match doors

End panels can be manufactured to add on to the end of locker runs or to the side of each individual locker if required.

Single compartment

Fixed top shelf with double coat hook.

Two compartment

Double coat hook per compartment.

Three compartment

Four compartment

Six compartment

Height - 1800mm*	
Width mm	Depth mm
300	450
300	500
400	450

* Height rises by 150mm with sloping top

Heavy duty self-closing hinges engineered to prevent the doors opening across adjacent compartment.

Concealed hinge within extruded aluminium frames engineered for added strength and stability.

Flush frame for zero gap when lockers are nested.

ZenBox Ultra outdoor lockers

Sloping top

ZenBox Ultra lockers feature sloping tops to aid water dispersion.

Height - 1800mm*	
Width mm	Depth mm
300	450
300	500
400	450

Available in 1, 2, 3, 4 and 6 compartments

Integral door seal

This seal ensures there is no water ingress into the locker compartment.

Important note regarding locker installations

Wherever possible lockers should be secured to ensure stability. Single lockers should ideally be fixed back to a wall. Runs of lockers should be fixed together side-to-side and either fixed back to a wall or fixed back-to-back to another run of lockers.

Accessories

Aluminium Locker Support Stands

Locker support stands raise lockers off the floor, reducing impact damage and making cleaning easier. Manufactured from 25mm square aluminium section they are ideal for wet environments.

All units come complete with adjustable feet to aid levelling on uneven floors.

Optional 10mm solid grade laminate (SGL) plinth available to match or contrast with the locker doors.

Locker stand with plinth

Locker stand plinths are manufactured using 10mm Solid grade laminate (SGL) to match or contrast with the locker doors.

Aluminium Seats and Stands

10mm solid grade laminate seat (SGL) and 45mm aluminium framework form a bench seat in front of the locker, allowing full access to the locker.

Seat can match or contrast with the locker door or with an optional SGL plinth.

All units come complete with adjustable feet to aid levelling on uneven floors.

Locker seat plinths

Locker seat plinths are manufactured using 10mm solid grade laminate (SGL) to match or contrast with the locker doors.

Sloping Top

Sloping tops are a good way of preventing litter, bags and other items being left on top of the lockers. The sloping top also makes cleaning easier. Sloping tops are essential in hygiene – sensitive applications such as the NHS or food preparation. Sloping tops add 150mm height to the locker.

Numbering System

Optional inset number plates are available. Discs are recessed into the door. Request when placing order.
